Submitted to His Highness.

11) I submit herewith for His Highness's gracious perusal a letter dated the 22nd April 1937, received from the Residency intimating that the Government of India desire that the delegation to the Rural Hygiene Conference in the Far East (that is proposed to be held in Java in August next) should be led by me and that they would be glad if my services can be spared.

12) Sir Jagdish Prasad has also written to me demi-officially in the matter, and intimated, further, that there is no objection to my taking with me a Secretary as also a personal servant and that the Government of India would pay travelling allowances to the Secretary at Second Class rates and to the servant at the usual rates allowed in such cases. The cost of the delegation is met by the Imperial Council of Agricultural Research. It is stated that the Council is unable to bear the charges on account of my salary or other allowances during the period of my absence in this connection, and a hope expressed that the Mysore Government would kindly waive the charges on this account, in view of the fact that the State is a constituent member of the Council.

13) A reply has been sent to the Residency that I am willing to lead the delegation and that His Highness the Maharaja will be glad to spare my services for the purpose.

14) The action taken may be graciously approved.

19) Reference is invited to the reply of Sir Jagdish Prasad to the enquiry from the Dewan, as to whether he would be regarded as on duty or deputation while he is away with the delegation, or whether he would have to consider himself as on leave for the period of his absence from Mysore. Sir Jagdish Prasad has stated that while the Imperial Council of Agricultural Research could not afford to pay either a duty allowance or the leave salary of the Dewan, it is hoped that the Mysore Government (as a constituent member of the Council) would waive these charges. The deputation being in public interests (of an All-India nature), I think that in view of the foregoing circumstances, the absence in this connection has to be treated as on duty, and the salary and allowances of the Dewan and his staff paid by this Government at such rates as may be allowed here, the amounts paid by the Government of India on this account being credited to the State Treasury. This was the procedure adopted in ~~this~~ case of the deputations to the Round Table Conference.

20) As regards the rates of T.A. to be allowed, the scale of allowances that were allowed in connection with the Round Table Conference are detailed below:-

7R 7 & 9

	Railway Fare.	Passage.	Daily Allowance.	Accommodation.
Dewan.	At ordinary rates in India and First Class fare in addition to Daily allowance outside India.	Actual steamer Fare - First Class (Cabin De Luxe).	£.5/- per day from date of disembarkation in Europe to date of re-embarkation on return voyage.	Actual expenses incurred

Dewan: Usual First Class Travelling Allowance in India, and First Class passage to Java and back. Actual travelling expenses in Java. Subsistence allowance of Rs.20/- per day for the period of stay in Java.

Secretary: Travelling and subsistence allowances at Second Class rates.

Servant: On the usual scale applicable in such cases.

22) The scale of allowances to be actually allowed by this Government is for orders. I beg to suggest that the same rates as were allowed for journeys in connection with the Round Table Conference may be given, with some reduction in the rates of daily allowances ~~of officers~~ outside India, in case Java is considered to be not as costly a place as London. £.3/- per day in the case of the Dewan and £.1-0-0 per day to the Secretary are suggested. In the case of the Jamedar, actual expenditure incurred may be allowed.

As regards the Secretary, it is submitted that though the Government of India give only Second Class rates, it seems necessary that he should actually travel in the First Class so as to be readily available to the

Submitted to His Highness.

34 I beg to invite His Highness's gracious reference to my Submission Note dated 14th May 1937 reporting the action taken with reference to the invitation received from the Government of India that I should lead the Indian Delegation to the Rural Hygiene Conference in the Far East that is proposed to be held in Java in August.

35 The Government of India have agreed to allow travelling allowances at the marginally-noted rates to me as leader of the Delegation. They have also agreed to my taking with me a Secretary and a personal servant, and to allow travelling allowances at second class rates for the Secretary, and at usual rates for the servant

(i) Usual First Class travelling allowance in India.
(ii) First Class passage to Java and back
(iii) Subsistence allowance of Rs.20/- per day for the period of stay in Java.
(iv) Actual travelling expenses in Java.

36 The question of the actual travelling allowances that may be drawn by me and the staff, for journeys in this connection was examined in the Secretariat. The Government of India expect that my salary during the period would be met by the State, and my absence on this account will have therefore to be treated as on deputation outside the State. As regards travelling allowances, it is proposed that they may be allowed at rates similar to those allowed on the occasion of my journeys in connection with the meetings of the Round Table Conference in London, with the modification that as the cost of living in Java may not be as high as in London, a lower rate of daily allowance might be allowed. My Private Secretary is entitled to draw First Class railway fare here and he will be allowed to travel in the same class during this deputation. The following rates are suggested on the present occasion.

	Railway Fare.	Passage.	Daily Allowance.	Accommodation
Dewan	Ordinary rates in India and First Class Fare in addition to Daily allowance outside India.	Actual Fare. (First Class Cabin de Luxe.)	£.3/- per day from date of disembarkation to date of re-embarkation.	Actual expenses:

	Railway Fare.	Passge.	Daily Allowance.	Accommodation.
Private Secretary to the Dewan.	Ordinary rates. (First Class)in India and First Class fare in addition to Daily allowance outside India.	First Class (A).	£. 1/- per day from date of disembarkation to date of re-embarkation.	Actual expenses.
Servant	Actual cost incurred.	Actual steamer fare.	Actual expenditure.	do.

(Return tickets to be taken where possible.)

In connection with the meetings of the Round Table Conference, daily allowances at £. 5 and £. 2 were paid to me and the officers that accompanied me, respectively. For the peon, £.0-15-0 per day outside India and Re.1-4-0 per day in India was allowed.

F + H

37 The allowances that will be paid to me and my staff by the Government of India will be credited to the State Treasury.

38 The Director of Health is also accompanying me to Java, as a delegate from the Mysore State. It is proposed to allow him alsc travelling allowances at the same rates as those suggested for my Private Secretary.

39. The above proposals may be graciously approved.

I am directed to refer to the correspondence ending with your letter No. Pol.1173, dated the 9th March 1937, and to say that the Government of India desire that the delegation to the above mentioned Conference should be led by Sir Mirza Muhammad Ismail, K.C.I.E., O.B.E., Dewan of Mysore. In this capacity he would act not as a representative of Mysore State or Indian States generally, but of India. The total period of his absence from India would not be more than a month and a half. As the Leader of the Delegation he would be granted the following terms:-

(i) Usual first class travelling allowance in India;

(ii) First class passage to Java and back;

(iii) Subsistence allowance of Rs.20/- per day for the period of his stay in Java; and

(iv) Actual travelling expenses in Java.

2. The Government of India understand that Sir Mirza Ismail is willing to undertake this duty and they would be glad if his services can be spared. I am to request that the decision of the Government of Mysore may be intimated to

this

this Residency at a very early date for communication to the Government of India.

D.O. No.3691.

Camp Fernhill,
25th April 1937.

My dear Sir Jagdish Prasad,

Since writing to you on the 6th accepting the invitation to lead the Indian Delegation to the Rural Hygiene Conference in Java in August next, I have seen the official letter from the Resident intimating the scale of my travelling and halting allowances as Leader of the proposed delegation.

I feel that the terms, as communicated in the letter, are not quite suitable or convenient to me. For instance, there is no provision for my taking a personal servant with me. I should also like to take with me a Secretary to make necessary arrangements for my travelling, etc. The travelling and subsistence allowances of the servant and Secretary would, of course, have to be borne by the Government of India.

The letter is also silent as to whether I would be regarded as on duty or deputation while I am away with the delegation, or whether I would have to consider myself as on leave for the period of my absence from Mysore.

If, as is quite possible, you find any difficulty in meeting my wishes in these matters, I hope you will not have the slightest hesitation in telling me so and asking someone else to go instead.

I am having no reply sent to the letter of the Resident, until I have heard from you on the points raised in my present letter.

With kind regards and all good wishes,

Yours sincerely,

(Signed). Mirza M. Ismail.

DEWAN OF MYSORE.

My dear Sir Mirza Mahomed Ismail,

Thanks for your letter No.3691 of the 25th April. I give below answers to the three questions you have asked:-

(1) You may certainly take a personal servant with you, and we will pay his travelling and daily allowances on the scale applicable in such cases.

(2) Secretary. Lt. Col. Cotter, the Deputy Public Health Commissioner, who will be a member of your Delegation, will, I am sure, give you such assistance as you may need during the progress of the conference; but I appreciate the fact that some one of the status of Personal Assistant as we have up here, will be a convenience to you, and we have no objection to your taking one. His travelling and subsistence allowance at second class rates, which are the same as my own Personal Assistant gets, will be paid by us.

(3) Whether you are to be regarded as on duty or deputation. You are perhaps unaware that the expenditure on account of your visit to Java is being met out of the funds of the Imperial Council of Agricultural Research. The Council, I am afraid, cannot afford to pay you either a duty allowance or your leave salary; and in view of the fact that Mysore is a constituent member of the Council of Agricultural Research, I do hope that your Government will waive these charges.

I hope that in the light of the above you will see your way to accept my invitation to lead our Delegation to Java. Awaiting your reply and with kind regards,

Yours sincerely,

Sd. JAGDISH PRASAD.

My dear Sir Jagdish Prasad,

I thank you very much for your letter of the 2nd instant clarifying some points which I wanted to make sure about in connection with the Delegation to Java.

I am grateful to you for so kindly acceding to my wishes. It is all right now and I shall be very happy to lead the Delegation.

I am looking forward to seeing you in Simla soon. I expect to be there on the 25th.

With very kind regards,

Yours sincerely,

Sd. Mirza M. Ismail.
